

25. "I can't read! It's only through 4VEH that I know what the Bible says!" --a 65-year-old listener. Up to 80% of adults in Haiti can't read a Bible for themselves, so hearing God's Word on the radio is vital.
26. Hundreds of people from other countries visit OMS ministries in Haiti every year, and many have had the opportunity to share the Gospel and give a solar radio to someone who needs it. Pray each person who goes will be drawn into a closer walk with the Lord.
27. Pray for pastors, evangelists and lay people in churches across northern Haiti who are praying, training and sharing the Gospel, with radios, in their areas.
28. Praise God for churches in the Center region that are reaching out in towns and isolated communities, and sharing the hope of Christ.
29. Pray for churches and ministry partners in the Northeast region of Haiti, including in the cities of Fort Liberté and Ouanaminthe, as they share the Good News.
30. Thank God for the strong Radio 4VEH AM signal that reaches across the mountains to remote areas.

Thank you for partnering
with us in prayer.

We may not see Haiti in our news every day, but the needs of Haitian families are still overwhelming. The effects of disaster, disease, illiteracy and Voodoo are crippling. Many are without hope, but there's a spiritual openness like never before.

This is a time of opportunity; a time for sustainable solutions. With the power to reach a wide audience for years to come, Resounding Hope is positioned to impact Haiti like never before, one solar radio at a time.

The Resounding Hope vision:

- 160,000 solar radios tuned to Christian radio station, Radio 4VEH, given out with a face-to-face Gospel witness.
- 1 million new listeners with daily access to Scripture reading, Bible teaching, life-saving information, farming and health advice, and other life skills.
- The Gospel in Haiti, amplified.

Sharing the Resounding Hope of Jesus Christ across Haiti

<p>1. Praise God for the incredible power of radio ministry to speak to millions of people, one person at a time.</p>	<p>9. Pray for the presenter at the microphone, that they will be vessels of God's message to those listening.</p>	<p>17. Praise God for spiritual openness in Haiti in recent years (particularly following the devastating 2010 earthquake) where many people are seeking God.</p>
<p>2. Intercede for those who will accept a solar radio before they accept God's gift of salvation. Pray God will use the solar radios with the daily broadcasting of Radio 4VEH to bring many people to Himself.</p>	<p>10. On hearing the Gospel message, many people say they need to 'get their lives sorted out' before accepting Christ. Others involved in Voodoo say they know who Jesus is, but they choose to serve other gods anyway. Pray for the Holy Spirit to convict people of His truth.</p>	<p>18. The OMS Bethesda Medical Clinic has unique opportunities to heal the physical and offer spiritual healing as they treat patients who come great distances to get help there. Pray for the doctors, nurses and other staff as they minister to many in His name.</p>
<p>3. Lift up Haitian pastors, evangelists and lay people in churches and worshiping groups across Haiti, as they live out their faith on the frontlines of a spiritual battle.</p>	<p>11. Pray that the powerful spirits underlying the practice and influence of Haitian Voodoo be bound in the name of Jesus.</p>	<p>19. Pray that God will strengthen His people, that they will find encouragement and tools for growth as they listen to 4VEH and share their faith in their communities.</p>
<p>4. Pray for God to raise up evangelism partners in the Artibonite region of Haiti to help reach this area, known as Haiti's ricebowl (major producer of main food crop – rice), with the Gospel of Jesus Christ.</p>	<p>12. Pray for ministry partners at Galcom International as they produce the solar radios for this project. Thank God for their incredible work of creating the tools to put Christian radio into the hands of people who would otherwise never hear about Jesus.</p>	<p>20. Pray for the Haitian pastors, evangelists, missionaries and leaders in training at the OMS Emmaus Biblical Seminary near Cap-Haitien, that God will use them to bring the hope, restoration, healing, truth and transformation found in Christ alone to their people.</p>
<p>5. Pray for godly wisdom for Haiti's leaders, that they would lead their country as people of faith and integrity.</p>	<p>13. Lift up pastors like Hérode Pierre, for encouragement in ministry and as they plant churches, using solar radios as a tool as they make disciples.</p>	<p>21. Praise God for the audio New Testament/MP3 player on the 2012 model solar radios. For many receiving the radios, this will be the first time they have had access to the Scriptures.</p>
<p>6. "My Resounding Hope for Haiti is this: that Haiti becomes God's country and sends missionaries all over the world to share the Good News of God's kingdom!" – Junior Cinéas, student at Emmaus Biblical Seminary</p>	<p>14. One listener said: "Radio 4VEH, thank you because you water Haiti with the Gospel the way rain waters the garden. If that wasn't the case, Haiti would be finished..." Pray that the solar radios will be like watering cans, pouring out living water across Haiti.</p>	<p>22. The Ministry of Health, humanitarian organizations and ministries use Radio 4VEH to broadcast health messages. Pray the broadcasts will be effective in reaching people with life-saving information, particularly concerning cholera and how to prevent it.</p>
<p>7. Lift up HopeRaisers and all who are sharing the Resounding Hope vision with friends, family, church and coworkers—that God would draw people to be involved in His work in Haiti.</p>	<p>15. Remember the work of the Gospel in the Northwest region of Haiti, including the city of Port-de-Paix. Pray for the broadcasting of our partner FM station, 4VET, and for evangelism partners in this region.</p>	<p>23. Ask the Lord to strengthen new believers who may be isolated from fellowship with others but have the radio as their encouragement.</p>
<p>8. Praise God for 15-year-old Pierre, a group of witchdoctors and many others who accepted Christ during recent evangelism and radio distributions.</p>	<p>16. Pray for the early morning programs starting at 5AM. Pray that presenters help listeners focus on God as their foundation each day.</p>	<p>24. Pray that 'God's Word would not return to Him empty, but will accomplish what He intends' in listeners' lives (Isaiah 55:11).</p>
